### **M&T Bank Contributes to Delmar Public Library Capital Campaign**

Kelly Sellers, M&T Bank Assistant Vice President, and Dave Engelhardt, M&T Bank Delmar Branch Manager, recently presented a check for \$10,000 to the Delmar Public Library in support of the Library's capital campaign.

"At M&T Bank, we recognize that our corporate success is directly related to the health and vitality of the communities we serve. So, as a corporate citizen, we believe in providing resources to not-for-profit organizations that make our communities better places to live and work," noted Ms. Sellers at the presentation, made during the Library Board of Commissioners' February meeting.

"As part of the Steering Committee for the capital campaign, I am pleased that M&T can play a part in supporting this local project," added Dave Engelhardt.

Faith Krebs, Library Commission President, added "We are so grateful to M&T Bank for their support. This donation is sincerely appreciated."

Donations to the Delmar Public Library Capital Campaign will support the renovation of the existing building and the construction of an additional 10,000 square feet, bringing the total size of the Library to 15,000 square feet. The construction project will not only increase available space for collections and programs but will also modernize the overall infrastructure to support the technology required for the 21st Century Library. The new facility when completed will meet current building codes, including ADA accessibility. Space will be available to display many of the historical objects relating to the history of the Town of Delmar and its connection to the railroad in Delaware and Maryland.

Donations to the capital campaign are a wonderful way to honor and remember special people in our lives and naming opportunities as well as honor wall recognition will be possible. The Delmar Public Library is a 501 (c) (3) non-profit organization and your donation is tax deductible to the fullest extent allowed by law.
